Welcome to People's Dental Care, P.A

It is our goal to provide efficient quality driven dental care and service all within a warm atmosphere.

At **People's Dental Care, P.A.** it is our ultimate goal to create and maintain happy healthy smiles and keep dental patients so satisfied that they return and also refer to us. We treat each patient with the individualized and special attention that they deserve. People's Dental Care is a general dentistry practice serving the needs of patients ages 3 years old and older.

People's Dental Care, P.A. was founded in August 2001 by **Dr. Tabreena Walker, DDS**. Dr. Walker has been practicing dentistry since 1996 and has provided comprehensive dental services for our soldiers as an Active Duty Dental Officer in the US Army and as a Contract Dentist at Fort Hood Texas. **Dr. Tabreena Walker** and her team pride themselves on being warm caring professionals who stay abreast of the latest dental technologies.

Dr. Walker's personal quote: 'I am very excited about my ability to offer quality dental care and my team and I are truly looking forward to meeting you and your family. We thank you very much for your confidence and trust'.

People's Dental Care, P.A. is a General Dentistry practice offering the following services:
